

Peer Evaluation Website

I _____, evaluated _____'s website.

As you explore this website, note if each criteria has been met:

Criteria	Yes	No
Appearance		
Is the layout clear and easy to follow?		
Do the backgrounds and text work very well together?		
Is page formatting consistent and set up to enhance user readability?		
Are all graphical elements used consistently?		
Does all multimedia add to the main purpose?		
Navigation		
Is the organizational structure clear?		
Is the navigational menu always easy to find and use?		
Do all pages have a link back to the home page?		
Is each page clearly identified in title bar and in page name?		
Content		
Is all information clear and accurate?		
Is all information relevant to intended audience?		
Does all information relate to the overall purpose?		
Does the site need little to no editing of content, spelling or grammar?		
Is a complete works cited included?		
Are external links appropriate and informative?		
Organization		
Does opening page introduce the content/topic in detail?		
Does the layout of all pages provide good direction?		
Is there a clear connection among all contents?		
Are all details logical and effective? (Do they fit to the content?)		
Technical		
Are all pages quick loading?		
Do all links work properly?		
Do all multimedia resources work properly?		
Are all graphics optimized for best performance?		
Are there no spaces in file and folder names?		
Are all files saved in the correct folders?		
Are there links between every page and back?
